

De Soto School District 73
Removable Storage Device Administrative Policy
April 2016

Overview

The Technology Department will periodically review the administrative policy on allowing removable storage devices.

Policy

At this time, the District will not restrict the use of DVD, CD-ROM, or USB storage devices. Removable media virus/malware scans will be conducted monthly through the District antivirus/malware service. Corrective actions will be taken, if necessary.

Review

This policy will be reviewed annually.
